# OFFICIAL DECREE

The World World Order Council hereby declares the following appointments:

## SLAVE NATIONALITY

Due to an influx of idle slaves of all nationalities, The WWO Council has decided to make it mandatory for all slaves to wear a flag of the country they are currently serving under. This change will take effect immediately.

## WORLDCHAN.NET

**TND Technologies** proudly presents: [worldchan.net](https://worldchan.net) - the world's official website.

In the future, this site will become a hub for all creative endeavours of the world server. Our primary goal is to provide more forms of engagement and entertainment for everyone to partake in, especially in the form of writing, visual arts, trivia, and more to come. We are excited for what the future holds and hope you are too 🐱

While currently in early development, the preview version features all decrees readily available for download in PDF format for your convenience. Feel free to read them out at a family gathering, as a class presentation, or similar.
